

PIKEY PEAK TREK

The **Pikey Peak Trekking** is one of the best treks in Everest if you want to see the best view of Mount Everest in a short period of time. This is a new trekking route in Everest Nepal. An amazing **short Pikey Peak trek** starts and ends in Kathmandu, the capital city of Nepal. If you want to trek on less crowd off the beaten track of Nepal, this trek is the best for you.

Pikey Peak Trekking Package, it includes sharing jeep or bus transfer from Kathmandu to Kathmandu, English speaking guide, all trekking permit, accommodation in Luxury Camping style sharing with other guest, meals-breakfast, lunch and dinner. All round the year except rainy season is the best time of year trekking Kathmandu Pike Peak. Winter is also the best time of the year for Pikey Peak trek in Nepal since you can see the pretty much clear view of Mount Everest and the other Himalayan range.

Day 1: Arrival in Kathmandu

Day 2: City Tour of Kathmandu

Day 3: Kathmandu to Jhapre (2850m,8 hours, 250km)

We will leave Kathmandu by private jeep or bus to Dhap Bazaar. The path follows the Sunkoshi River which joins Tama Koshi River further ahead on our drive forming a large Koshi River until reaching Ghurmi. We will enjoy typical Nepali food and continue our drive along the dense rhododendron forests. We will pass numerous settlement areas before reaching Dhap Bazaar which will take approximately take 3 hours to reach. We will explore the local bazaar and observe the lifestyle of the inhabiting people.

Day 4: Jhapre to Pikey Base Camp (3640 m, 5 hours, 9 km)

The trail heads towards Lhamuje and opens out to reveal a pasture where we can see grazing Yaks. We will cross a long Mani wall and climb along the winding road to Pikey Base Camp. We will visit the Yak Cheese Factory and can enjoy the magnificent views of the majestic mountains surrounding the valley.

Day 5: Pikey Base Camp

The day begins with an early morning trek along the steep rocky ridgeline to the Pikey Peak (**4065m**). We can marvel on the gorgeous sunrise view over the mountains like Mt. Everest (8848m), Number Chuli (6959m), Thamserku (6608m), Kangtega (6685m), Khatang (6853m), Kanchenjunga (8586m), Manaslu (8163m), Dhaulagiri (8167m), Gaurishankar (7134m), Dorje Lakpa (6966m) and Langtang.

Day 6: Pikey Base Camp to Junbesi(2680 m, 6 hours, 14 km)

Capturing the beautiful views in our cameras, we will descend to Junbesi followed by the descent to Lamjura. Crossing many Mani walls and Chortens on our way we will reach Junbesi. We will visit an old monastery situated in this village and enjoy the beautiful view of Numbur Himal in the North.

Day 7: Junbesi – Thaksindu(2960m 5 hours, 9 km):

Cross the river and take the left hand upper trail to the Salung ridge. First view of Everest from here, also views of Thamserku (6623m) and Kusum Kangaru (6369m).

Descend to Ringmo Khola and gradual climb upto Traksindo Pass (3200m). A few minutes below the pass on the east side is Traksindo Monastery. We will have a outstanding sun set/sun rise and mountain views from here. Over night at a lodge. 6 – 7 hrs trek.

Day 8 - Trek from Thaksindu to Kharikhola (2050 m 6 hours)

The trail descends through forest pass Nunthale and Rai villages, fields cross DudhKoshi river and trek through Rai village of Jubing to Kharikhola.

Day 9- Program at Kharikhola

Day 10 - Trek from Kharikhola to Payang (2885m 6 hours)

The trail descends from the village, crosses a stream beside water driven mills, then ascends to pass Kharte (2830m), and then through forest on lower trail to Payang.

Day 11 - Trek from Payang to Phakding (2600m 6 hours)

Follow the trail down to Surkhe on a tributary of the Dudh Koshi. Ascend to our lunch-spot at Mushey (2,500m). Pass through villages of Choplung and Ghat (2,550m) to Phakding.

Day 12 - Trek from Phakding to Namche Bazaar (3440m 5 hours)

Walking along the shores of Dudh Kosi, we get to cross the serene river many times on exhilarating suspension bridges decorated with prayer flags. A little further, we enter Sagarmatha National Park from where the trail climbs steeply with picturesque sights. After trekking for a few hours, we reach Namche Bazaar, known as the Gateway of Everest.

Day 13- Namche Bazaar

We pay a visit to the museum nearby known for its traditional artefacts that showcase the Sherpa culture. We also hike to Syangboche Airport from where we can see rewarding vistas of stunning sunrise and sunset over the Himalayan panorama.

Day 14 - Trek from Namche to Lukla (2880m 6 hours)

Continue to retrace the route along the Dudh Kosi and make a final ascent to reach Lukla (2,840m).

Day 15 - Morning flight back to Kathmandu

Today we fly back to Kathmandu from Lukla, and during your flight you can enjoy some last-minute glimpses of the mountains. Upon arrival in Kathmandu, you can rest, relax and go sightseeing throughout the day.

Day 16 - Leisure day in Kathmandu

Day 17 - Departure from Nepal
